

Declaration for not stocking drugs described in Standard 5.11

According to the Standards for the Operation of Licensed Pharmacies,

Standard 4.7 A dispensary must have...

- d) a metal safe that is secured in place and equipped with a time-delay lock set at a minimum of five minutes, unless:
 - i. the licensee has made a declaration that the pharmacy:
 - A. does not stock inventory of the drugs described in Standard 5.11,
 - ...
 - ii. the Registrar has placed a condition on the licence of the licensed pharmacy.

I, _____ (licensee name), declare the following:

- _____ (pharmacy name), Licence # _____, does not and will not stock schedule 1 narcotics, drugs designated as type 1 medications by the Tracked Prescription Program Alberta (TPP), and drugs required by Council to be secured in a manner described in Standard 4.7(d).
- I acknowledge and will comply with the following condition that will be imposed on the pharmacy licence:
 - _____ (pharmacy name) must not stock schedule 1 narcotics, drugs designated as type 1 medications by the Tracked Prescription Program Alberta (TPP), and drugs required by Council to be secured in a manner described in Standard 4.7(d).
- Council-approved signage indicating that narcotics are not stored on site will be posted in the dispensary and at all external entrances to the pharmacy.
- I will request removal of this condition by the Registrar prior to the pharmacy stocking inventory of the drugs described in Standard 5.11 and will adhere to all requirements described of Standard 4.7(d) at that time.
- I acknowledge that the Registrar will rely on the truth and accuracy of information submitted. Any false or misleading statements or representations made to the Registrar may constitute "unprofessional conduct" or "proprietary misconduct" and may result in a referral to the Complaints Director of the Alberta College of Pharmacy.

By adhering to the conditions outlined above, a metal safe that is secured in place and equipped with a time-delay lock is not required for this pharmacy.

I make this professional declaration conscientiously believing it to be true.
