Application to extend term of practice permit

A provisional registrant is provided two years to successfully complete the entry-to-practice requirements. On application, the registrar may extend the two-year period if the registrar is satisfied that there are extenuating circumstances.

If you have extenuating circumstances or limited requirements that can be completed in a short period of time, you may submit this application to registrationinfo@abpharmacy.ca for the registrar’s consideration, at least 45 days prior to your permit expiring.
